18.02 HEALTH-RELATED LEAVES

A. Sick Leave

1. Regular, Probationary, and Temporary Faculty

- a. Full-time faculty in these categories shall earn Sick Leave at the rate of ten (10) days per academic year. Faculty employed at less than 100 percent shall be granted a pro-rata portion of Sick Leave. The Education Code Section 88781 states that Sick Leave can be credited in advance of being earned for the current academic year.
- b. Unused Sick Leave will accrue from academic year to academic year.
- c. All new faculty members shall be credited with unused Sick Leave that was accrued in another California school district immediately preceding employment, provided the employee presents the District with proof of such accrual within six (6) months of his/her date of hire.
- d. Sick Leave will be credited at the beginning of each academic year and may be used at any time during the year, including during summer school. However, if the faculty member leaves employment prior to the end of the year and has used more Sick Leave than actually earned to date, a deduction will be made from the employee's last paycheck for used but unearned time.
- e. Whenever a faculty member claims Sick Leave for ten (10) or more consecutive working days, the District may require the employee to provide a written verification by his/her physician of the need for Sick Leave.
- f. A faculty member who is absent for less than one (1) full day shall have deducted from his/her accumulated leave the pro-rata portion of a day based on the ratio of duty hours absent to the total number of required assigned hours for that day.
- g. Sick Leave may be used when a faculty member is incapacitated due to illness or injury or for medical and dental appointments that could not reasonably be set outside of scheduled working hours. Sick Leave may also be used for Adoption Leave, Bereavement Leave, Maternity Leave, or Personal Necessity Leave as outlined in this article.

2. Adjunct Faculty and Regular, Probationary, and Temporary Faculty with Hourly Assignments

- a. Faculty members in these categories shall earn one (1) hour of Sick Leave for every 17.5 contact hours, including summer school. Regular, temporary, and probationary faculty members' accumulated Sick Leave for hourly assignments shall be accumulated separately from their contract Sick Leave and is subject to the conditions outlined below.
- b. Sick Leave is cumulative and may be transferred to those districts that accept Sick Leave transfer for hourly work.
- c. The District will recognize any accumulated Sick Leave that a faculty member has accrued for hourly work from the time of initial employment until the present date.
- d. All Sick Leave earned or accumulated under this article may be used only during a period of time when a faculty member is actively employed by the District.

- 18.02. A.** 1. e. The granting of Sick Leave or accumulation of Sick Leave under this article shall not be construed as conferring any right to continual employment or in limitation of the District right to terminate employment as authorized by law.
- f. Sick Leave may be used when a faculty member is incapacitated due to illness or injury or for medical and dental appointments that could not reasonably be set outside of scheduled working hours. Sick Leave may also be used for Adoption Leave, Bereavement Leave, Maternity Leave, or Personal Necessity Leave as outlined in this article.

B. Supplemental Sick Leave

1. Timeline Overview:
 - a. Supplemental Sick Leave will be automatically applied for an eligibility period of up to one hundred (100) workdays, commencing with the 11th day of any absence.
 - b. Supplemental Sick Leave runs concurrently with any accumulated regular Sick Leave and Catastrophic Leave, if applicable, commencing with the 11th day of absence.
 - c. During the Supplemental Sick Leave period the faculty member may apply for Long Term Disability.
2. Implementation of Supplemental Sick Leave pay:
 - a. When a regular, probationary, or temporary faculty member has utilized all accumulated Sick Leave and Catastrophic Leave, if applicable, and is still absent from duty on account of illness or accident, then the provisions for Supplemental Sick Leave pay are implemented for the remainder of the 100-day Supplemental Sick Leave eligibility period.
 - b. District Supplemental Sick Leave Pay: During the Supplemental Sick Leave period after all paid leaves are exhausted, a faculty member's salary will be reduced by the amount that is actually paid a temporary substitute who is employed to fill his/her position during the absence. Alternately, if no substitute is employed, the District will deduct only for each actual instructional or assigned hour missed, at the hourly rate at Step 1 of the salary schedule column in which the faculty member is placed.
3. Supplemental Sick Leave and Benefits: During the Supplemental Sick Leave period of time the District will continue to pay for all employee benefits.
4. Supplemental Sick Leave and Long-term Disability (LTD):
 - a. During the 100-day Supplemental Sick Leave period and when all Sick Leave and Catastrophic Leaves, if applicable, have been exhausted, a faculty member may apply for long-term disability (LTD) coverage according to the provisions of paragraph 18.02.D. and Article 10: Benefits.
 1. If the LTD claim is accepted he/she will be placed on Unpaid Leave for up to one (1) year, during which time the District will pay the member's health, dental, and vision benefits and the disability insurance carrier will pay $66\frac{2}{3}$ percent of the faculty member's salary, less any other income source, such as Worker's Compensation. The one-year period for District benefits begins when the LTD claim is accepted.

- 18.02. B.** 4. a. 2. In the event that the claim is denied, and the faculty member decides to initiate the appeal process, the District will continue to pay the member's health, dental and vision benefits until the determination of the claim is made by the disability insurance carrier.
- b. This one-year period of time, referenced in paragraph 18.02.B.4.a, is intended to provide the time necessary to complete the application for CalSTRS disability coverage, if the faculty member is eligible for it. If the faculty member is not eligible for CalSTRS disability, and has an accepted LTD claim, the disability insurance carrier will pay $66\frac{2}{3}$ percent of the faculty member's salary until the faculty member reaches the age of normal retirement. Normal retirement age is defined in the LTD contract with the District.
- c. If the member is unable to return to work at the end of the year, he/she may request an Unpaid Leave for up to one additional year, but health, dental, and vision benefits will cease to be paid by the District. However, since the faculty member is still an employee of the District on an approved Unpaid Leave he/she may purchase health benefits through the District plan. The provisions of paragraph 18.03.J will apply.

C. Catastrophic Leave and Catastrophic Leave Bank

1. Catastrophic Leave is a paid leave of absence due to life threatening, long-term illness or injury, as verified by a physician, which clearly disables the faculty member or a member of their immediate family.

- b. Faculty must first exhaust all accrued Sick Leave before qualifying for Catastrophic Leave.
- c. Catastrophic Leave shall not be used in conjunction with any Long-term Disability or Worker's Compensation Leave.
- d. While a faculty member is on Catastrophic Leave using donated hours, no Sick Leave shall accrue.
2. Faculty members may donate hours of accrued Sick Leave to be used by other faculty members suffering from catastrophic illness or injury either to themselves or members of their immediate family.
- a. Faculty must donate leave in increments of whole hours. The donating faculty member must retain a balance of Sick Leave equal to a minimum of one (1) year of accumulated Sick Leave (ten [10] days or eighty [80] hours for regular and probationary faculty, and thirty [30] hours for adjunct faculty).
- b. The Human Resources Department shall adjust the leave balance of all faculty members to reflect donation and use of Catastrophic Leave hours. All time donated shall be credited on an hour-for-hour basis regardless of pay differential between donating faculty member and recipient.

- 18.02. C.** 3. Faculty who have completed the equivalent of one (1) full year (100 percent load for one [1] year) of paid service to the District, shall be eligible for a Catastrophic Leave.
