Article 16: Hourly Assignments
Modification to Allow Hourly Faculty to
Voluntarily Relinquish Load

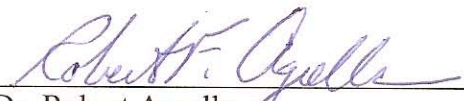

October 8, 2009

For Spring 2010 any hourly faculty member, whether contract or adjunct, may voluntarily relinquish an assignment or accept a lower assignment priority in order to help to preserve hourly assignments for others. Faculty who choose to relinquish load will be credited with the same like load in Spring 2011 as was actually offered for Spring 2010. In addition, faculty who voluntarily relinquished load in Fall 2009 and Spring 2010 will maintain their places on the length of service list.

The voluntary decline of the assignment as published in the electronic schedule of classes must be documented in writing, such as an email, and copies must be sent to the chair, the supervising administrator, and the Vice-President of Academic Affairs.
