FACCC (Faculty Association of California Community Colleges)

ADVOCACY AND POLICY CONFERENCE

February 28 (Sunday) - March 1 Lobby Day (Monday)
Sacramento

Why you need to attend:

With the prospects of another difficult budget year ahead, all faculty members are urged to attend the Advocacy & Policy Conference in Sacramento. The event will give you the opportunity to interact with policy makers and meet with your legislators.

We'll pay:

The All Faculty Association Political Action Committee (AFA PAC) will sponsor the first 20 SRJC faculty who respond to this email by paying for your conference registration fees and mileage. Carpooling is encouraged. You may attend either or both days. On Sunday, there will be speakers, panel discussions, and advocacy training; Monday is the Lobby Day at the State Capitol. If you are willing to be a Faculty Advisor to five SRJC students attending both days, the AFA PAC will pay for your overnight accommodations as well.

If you plan to attend, you will need to file a *Travel Request Form* with the District. Flex credit is approved for 6.25 hours each day. To view the schedule and more details go to: <http://www.faccc.org/AandP.html> If you need help with forms or have any other questions, please contact the AFA office.
