Recently Assembly Bill 2506 was passed into law to be effective July 1, 2004. The bill requires all Tax Sheltered Annuity vendors who offer products to both **certificated and classified** employees of a school district, community college district, and county office of education to register their companies and product information with CalSTRS.

Please be informed that effective July 1, 2004, to ensure compliance with AB 2506, Santa Rosa Junior College will be requiring its employees to only use Tax Sheltered Annuity vendors registered with CalSTRS.

Employees that have existing 403b arrangements with unregistered vendors will be "grandfathered". Effective July 1, 2004, changes in TSA vendors will be restricted to registered vendors only.

A list of registered vendors, their products, and information pertaining to our District can be found at www.403bcompare.com after July 1, 2004.
