

Last updated 12/20/11. The information in this guide is subject to change. CSUS may require additional lower division courses beyond those listed or articulated. Please review a current CSUS catalog and consult with a counselor. Refer to www.assist.org for the most recent articulation information.

CSUS Courses	SRJC Courses	Civil	Computer	Electrical/ Electronic	Mechanical **
CHEM 1A	CHEM 1A or 4A	X	X	X	X
CSC 15	CS 10		X		
CSC 20	CS 11		X		
CSC 28	MATH 4		X		
CSC 35	CS 12		X		
CSC 60	CS 81.21		X		
ENGR 17	ENGR 16	X	X	X	X
CE 4 or ENGR 6	ENGR 25	X			X
ENGR 30	ENGR 34	X			X
ENGR 45	ENGR 45	X			X
ENGL 20	ENGL 1B or 5	X		X	X
MATH 30	MATH 1A	X	X	X	X
MATH 31	MATH 1B	X	X	X	X
MATH 32	#	X		X	X
MATH 45	MATH 2	X	X	X	X
PHYS 11A	PHYS 40	X	X	X	X
PHYS 11C	PHYS 42	X	X	X	X
CE 1A	NE	X			
CE 9	NE	X			
CPE 64 or EEE 64	NE		X	X	
CSC 25	NE			X *	
ENGR 70	NE			X	
ME 37	NE				X
STAT 50	NE		X		

NE = No Equivalent course at SRJC

Articulation of MATH 1C with MATH 32 has been requested with no decision received at this time. Check www.assist.org for the latest articulation approvals.

* Transfer students who have taken 3 units of Structured Programming Language such as FORTRAN, Pascal, or "C" at a community college will be given credit for CSC 25.

** Mechanical Engineering students with catalog rights prior to Fall 2000 or Fall 2002 should refer to the comments in ASSIST (www.assist.org) for additional course requirements.

Specific General Education exceptions apply to Engineering majors:

- Engineering majors are not required to complete a specific course in Area A3 (Critical Thinking) or Area E (Lifelong Learning & Self Development). These GE requirements are met by courses in the major. (See a counselor about how this effects completion of Associate Degree requirements.)
- Prior to transfer, it is strongly recommended that students complete all lower-division Math, Science, and Engineering courses, and at least 18 units of GE other than the Natural Sciences. Failure to do so may increase the time required for graduation.

Please see separate Transfer Major Guide for CONSTRUCTION MANAGEMENT.
