

Last updated 01/19/12. The information in this guide is subject to change. Please review a current SSU catalog or consult with a counselor. Additional articulation information is available at www.assist.org.

SONOMA STATE UNIVERSITY

There are four multiple subject preparation programs at SSU:

- **American Multicultural Studies** (www.sonoma.edu/depts/amcs/programs.html)
- **Chicano and Latino Studies** (www.sonoma.edu/cals)
- **Environmental Studies and Planning** (www.sonoma.edu/ensp)
- **The Hutchins School of Liberal Studies** (www.sonoma.edu/hutchins)

Find information (which is subject to change) about upper division transfer requirements and impacted (high demand) majors at www.sonoma.edu/admissions/ts/requirements. Learn about application filing dates and deadlines at www.sonoma.edu/admissions/filing.html.

SSU has identified common requirements for General Education courses at the community college that will fulfill subject matter requirements. Exceptions to these general requirements will be noted.

CSU GE Area	Description	SRJC Recommended Courses (Choose one course from each area)	Units
A1	Oral Communication	SPCH 1A: Introduction to Public Speaking (<i>strongly preferred</i>) SPCH 60: Communication Skills	3
A2	Written Communication	ENGL 1A: Reading & Composition	4
A3	Critical Thinking	Any course from Area A3	3
B1	Physical Science The standards require content in astronomy, physics, chemistry, and earth science. Students are encouraged to take more than one course in this area, if possible. Courses that combine content from two or more of these areas would help students complete subject matter requirements in a timely manner.	ASTRON 4: Astronomy of the Solar System ENVS 12: Introduction to Environmental Science GEOL 1: The Earth METRO 10: Introduction to Meteorology	3
B2	Life Science Although physical anthropology used to be accepted in this area, it no longer fulfills the subject matter requirements.	BIO 10: Introduction to Principles of Biology (includes lab)	4
B3	Laboratory	Laboratory fulfilled in Bio 10	0
B4	Quantitative Reasoning Although most CSU programs encourage students to take a course in Mathematics for Elementary Teachers, the upper division sequence at SSU for students planning to become teachers covers this topic, so SSU would prefer other courses that fulfill this area. Statistics is recommended.	MATH 10: Nature of Mathematics MATH 15: Elementary Statistics	3 or 4
C1	Arts Recommend survey course in history of art, music or theatre. Note: The standards require coursework in the visual arts, dance, music, and theatre, both theoretical and applied. Students are encouraged to take additional courses in this area.	ART 1.1 or 1.2: World Art History ART 2.1 or 2.2 or 2.3: Art History & Appreciation (Western) MUSC 7 or 8: Classical Music Appreciation or World Music THAR 1: World Theatre Through Time THAR 6: Multicultural Perspectives in American Theatre	3

MULTIPLE SUBJECT PREPARATION – SSU --- continued

C2	Humanities Recommend any survey of literature course. (<i>Children's literature is highly recommended.</i>)	ENGL 1B: Literature and Composition ENGL 12: Children's Literature ENGL 30.1 or 30.2: American Literature # ENGL 31: African American Arts and Literature # ENGL 33: Chicano/Chicana Arts & Literature ENGL 46.1 or 46.2: Survey of English Literature HIST 4.1 or 4.2: History of Western Civilization SPCH 2: Introduction to Oral Interpretation	3
C3	Note: Areas C2, C3, and C4 are fulfilled as part of the major in the AMCS program; Spanish fulfills Area C4 in the CALS program; and ENSP and Hutchins encourage students to take courses that fulfill the CSU ethnic studies requirement in areas C3 or C4.	Choose another class from either group C1 or C2.	3
D1	Individual and Society Many CSU programs recommend a course in human development from childhood through adolescence. Since all of the programs at SSU require upper division work in child development, this is not a requirement and students can take any course that fulfills this area. Nevertheless, prospective teachers might benefit from early coursework in child and/or human development.	CHLD 10 or PSYCH 4: Child Growth and Development or Child & Adolescent Psychology (<i>Child Growth & Development is highly recommended</i>) ANTHRO 2: Cultural Anthropology CHLD 68: Issues in Diversity COMM 7: Intercultural Communication COUN 74: Identity and Cultural Diversity PSYCH 1A: General Psychology PSYCH 30: Social Psychology SOC 1: Introduction to Sociology SOC 2: Modern Social Problems SOC 3: Self and Society # SOC 30: Race & Ethnic Relations	3
D2	World Civilization World History (History of World Civilization to Early Modern Era); or World/Cultural Geography.	**HIST 1.1 or 1.2: World History GEOG 3: World Regional Geography GEOG 7: Cultural Geography **SSU will use HIST 1.1 or 1.2 in Area C2 or D2.	3
D3	U. S. History Survey of U.S. History that covers the colonial period through reconstruction.	HIST 17.1 or 17.2 : History of the United States HIST 18.1 or 18.2: History of Women in the United States # HIST 21: Race, Ethnicity and Gender in American Culture	3
D4	U. S. Government Introduction to U. S. government, including U.S. Constitution and state/local government.	POLS 1: Introduction to United States Government	3
E	Integrated Person	Any Class from this Area All of the four programs at SSU include an upper division required course in this area, so there are no specific recommendations.	3
F	American Institutions	One history course from D3 + POLS 1 from D4	0
Total		Total recommended combined General Education and Elementary Education Preparation	44-45

Satisfies the SSU Ethnic Studies requirement

SSU also offers a **Liberal Studies Bachelor of Arts Degree Completion program**. For more information, see the web site at <http://www.sonoma.edu/exed/libs/> or contact:
