

# Pacific Union College – Santa Rosa Junior College

## Articulation Agreement for Transfer From Santa Rosa Junior College

**Admission of Transfer Students.** Pacific Union College welcomes students of diverse backgrounds and experience. Those who are unacquainted with the College but are considering transferring should arrange an interview with a PUC admissions counselor as soon as possible. Acceptance is based on personal references as well as academic performance.

**Classification of Transfer Students.** Students who have completed 30 transferable semester units will be classified as sophomores and students who have completed 60 transferable units will be classified as juniors.

**The Four-Year College Degree.** Students for whom graduation in four academic years is important are encouraged to indicate their intention as early as possible so that they may be properly advised. In order to complete the required number of credits in four years, they should complete an average of 16 transferable units per term applicable to a PUC degree.

**Major Requirements:** Students interested in completing a degree at Pacific Union College should request a Curriculum Guide Sheet and follow as much as possible the sample curriculum as outlined for the first two years. In general, lower division requirements (courses numbered in the 100's and 200's) may be taken at Santa Rosa Junior College. Upper division courses (courses numbered in the 300's and 400's) should be taken at PUC.

**General Degree Requirements:** To earn a degree, the following general requirements must be completed:

1. The General Education Requirements.
2. The Major and Cognate Requirements.
3. Additional electives for 192 overall quarter units (equivalent to 128 semester units) with a minimum of 60 upper division (courses numbered in the 300's and 400's) quarter units. (A maximum of 72 semester units earned in junior colleges is applicable to a baccalaureate degree.)
4. A minimum PUC and cumulative grade point average of 2.0.

**Catalog Rights:** The terms of this agreement assure transfer students with continuous enrollment that they may graduate under the requirements of the *Catalog* in effect during the year in which they declare their intention to transfer to Pacific Union College.
