## Computer Studies, 527-4778

The Computer Studies Department now offers many office applications classes that were formerly offered by the BOT department!

Important Note about New Course Numbers: Effective Fall 2009, most Computer Studies courses that were formerly BOT or CIS will have new numbers with a "CS" prefix. (This conversion will be completed effective Spring 2010.) For Fall 2009, a few courses still retain their old BOT or CIS numbers. For help with finding the class you are looking for, please see the table at <http://www.santarosa.edu/cis/newnumbers>

The CS department offers two (2) majors, Computer Science and Interactive Media Design, and numerous certificates in areas such as graphics, graphic design, multimedia, networking, web design, web programming, personal computer systems, office applications, and help desk.

If you have questions, please call the CS department at 527 - 4778 or email [dharden@santarosa.edu](mailto:dharden@santarosa.edu).

For further information and updates not available in the printed schedule, visit the CS department website at [www.santarosa.edu/cis](http://www.santarosa.edu/cis).
