*Transfer Articulation Agreement*  
*between*  
**Santa Rosa Junior College**  
*and*  
**Cornell University's College of Agriculture and Life Sciences (CALs)**

This articulation agreement creates a transfer program between Santa Rosa Junior College and the College of Agriculture and Life Sciences (CALs) at Cornell University.

This agreement is designed for students enrolled at Santa Rosa Junior College pursuing a degree who are interested in transferring to the following academic programs within CALs:

- Agricultural Sciences
- Animal Science
- Applied Economics and Management (for concentrations only in Agribusiness Management, Environmental Economics, Food Industry Management)
- Atmospheric Science
- Biological Engineering
- Biometry & Statistics
- Communication
- Development Sociology
- Entomology
- Environmental Engineering
- Food Science
- Information Science
- International Agriculture and Rural Development
- Natural Resources
- Nutritional Sciences
- Plant Sciences
- Science of Earth Systems
- Science of Natural and Environmental Systems
- Viticulture and Enology

Students interested in Applied Economics and Management, Biological Sciences, Biology & Society, Landscape Architecture will be considered competitive transfer applicants if their interests are appropriate and they meet GPA, course and profile requirements. Due to enrollment limitations, guaranteed transfer admission cannot be granted.

Students at Santa Rosa Junior College will be granted transfer to Cornell University's College of Agriculture and Life Sciences and the opportunity to complete a Bachelor of Science Degree provided the following requirements are met.

1. All [transfer course requirements](#) are fulfilled for the student's intended CALS major.
2. A minimum 3.0 cumulative grade point average is earned and the student is making satisfactory progress in their final semester courses prior to transfer and has studied full time.
3. The student has satisfactorily completed the Cornell University Transfer Application, including recommendations, essay, College Official Report and provide mid semester grades.
4. The student is in good disciplinary standing at Santa Rosa Junior College.

Applicants with less than the minimum cumulative grade point average, course withdrawals, incompletes, part time study or other factors will be considered on an individual basis.

A maximum of 60 credits can be transferred and credit is awarded upon review by the CALS Registrar once transfer admission is granted.

CALS does not award credit for college courses taught in high school. CALS awards AP credit based on exam scores. See [non-cornell credit policies](#).

This agreement becomes effective on October 1, 2010 and can be modified or discontinued by mutual consent as deemed necessary by either institution.
