These credits will be reviewed during the Course and Credit evaluation completed by the Capella University Registrar's Office during the admission evaluation process. See the Capella University's website

<www.capellauniversity.edu> for details. An equivalency table of courses will be provided to Santa Rosa Junior College by Capella University to assist in the advising of its students.

6. Students may concurrently take courses at both institutions, as well as have access to advising and other services at both institutions. However, federal regulations require that students receive financial aid from only a single college from which courses are taken during a given quarter or semester. Advisors should recommend that financial aid recipients take all their courses in a given quarter or semester at either the community college or Capella. If a student attends both institutions in a single semester, financial aid may be granted from only one unless the institutions enter a consortium agreement to allocate and distribute financial aid between the student's "home" institution and the consortium partner.
7. Capella and SRJC agree to coordinate the provision of accurate and timely information and academic advising about this program.
 - 7.1. SRJC agrees to work with Capella to appropriately communicate the benefits of this partnership to its students, staff and alumni, as consistent with Santa Rosa Junior College's privacy policies; and
 - 7.2. SRJC will assist Capella in the distribution of updated degree and transfer materials to its students and alumni, and faculty and staff. It will make such information accessible via available print and electronic vehicles such as articulation lists, bulletin boards, brochures, e-mails or websites.
8. For the purposes of making this partnership successful, Santa Rosa Junior College agrees to notify Capella annually of major changes to its curricula.
9. Capella agrees to place on its educational website a link to Santa Rosa Junior College's website for learners to explore taking Associate level courses at your institution and to notify you by letter of changes to its curricula and admissions policies.

Capella is also pleased to offer a 10% discount to your administration, faculty and staff to take degree and non-degree programs at Capella University. Capella's five professional schools (Psychology, Human Services, Business, Technology and Education) offer over 650-courses, 80-degree specializations with Graduate Certificates, Master's, MBAs, and PhDs, and continuing education courses that help prepare community college leaders and practitioners for leadership, education and learning innovations in the face of current educational challenges.

We believe Capella's Community College Alliance Program will enhance the number and quality of learning options available to Santa Rosa Junior College alumni, students, faculty, and staff. Upon acceptance of this letter and an academic review of your course catalog, we will provide you with appropriate informational brochures and materials and course catalogs so that Student and Faculty Advisors can include Capella as an option for students who want to continue their education.

We look forward to working with you. Capella and SRJC should review the agreement annually to determine whether it is achieving its purposes and continuing to meet our institutions' needs.
