<b>Area H - Global Perspectives and Environmental Literacy <i>(Effective Fall 2004)</i></b> (3 units)			
This requirement will double-count in one other area (Areas A - G) <u>Global Perspectives:</u> ANTHRO 2, 30    ART 1.1, 1.2    BAD 10    ECON 1A    HUMAN 5    INTDIS 4 MUSC 8    PHIL 8, 11 <u>Environmental Literacy:</u> ANTHRO 1    BIO 12, 15, 25    ECON 12    ENGL 10    ENVS 12    NRM 12    PHIL 12			
<b>Area I - Information Literacy <i>(Effective Fall 2002)</i></b>	<b>1 unit</b>		
LIR 10, 30, 110			
<b>Mathematics Competency Requirement</b>			
1. Complete an approved Area B mathematics course with a grade of C or better (or P), <b>or</b> 2. Achieve a satisfactory score on the Intermediate Algebra Competency Exam (ACE).			

# 2009-2010 ASSOCIATE DEGREE INFORMATION

## Catalog Rights

Award requirements for an associate degree are determined according to the *Catalog* in effect at the time of initial enrollment. In order to maintain catalog rights, a student must be in continuous enrollment; that is, enrollment in at least one credit course during each successive academic year. For the purpose of catalog rights, the academic year begins each fall and ends with the subsequent summer session. When a break in enrollment occurs, degree requirements are determined according to the *Catalog* in effect when enrollment is resumed. Students may choose to receive an associate degree under the *Catalog* requirements in effect at the time of their petition to receive the degree.

## Unit Requirement

Complete 60 or more units in courses numbered 1-299. Plan your course of study carefully with a counselor.

## Residency Requirement

Enrollment during the semester in which the degree is granted. A minimum of 12 units must be completed at Santa Rosa Junior College.

## Scholarship Requirement

A grade point average (GPA) of 2.00 (C) or better in all coursework (includes coursework taken at other institutions) submitted toward the degree. For students admitted Fall 2009 or thereafter, a grade of C or better (or P) is required for each course applied toward the major.

## Major Requirement

Complete a major course of study of at least 18 college units from the Santa Rosa Junior College list of approved majors. A course may be used to satisfy both a General Education requirement and a major requirement (Title 5, 55806). Within the major, a course may be used only one time to meet a major requirement. Major programs are listed in the college catalog; the most current list of majors is available at the SRJC website [www.santarosa.edu/majors](http://www.santarosa.edu/majors).

## General Education Requirement

Students have three options in meeting the General Education requirement toward earning an Associate in Arts or an Associate in Science degree at Santa Rosa Junior College:

- Option A – Complete 23 units of general education credits as outlined by the Santa Rosa Junior College catalog, **or**
- Option B – Complete the California State University (CSU) General Education-Breadth requirements (full certification), **or**
- Option C – Complete the Intersegmental General Education Transfer Curriculum (IGETC) (full certification).

## English Competency Requirement beginning Fall 2009

Complete ENGL 1A with a grade of C or better.

## Mathematics Competency Requirement for Option A beginning Fall 2009

1. Complete an approved Area B mathematics course with a grade of C or better (or P), **or**
2. Achieve a satisfactory score on the Intermediate Algebra Competency Exam (ACE).

## Continuing or Returning Students

Students enrolled prior to Fall 2009 should consult with a counselor for other possible options to demonstrate English and/or Math Competency.

## Degree Honors

Degree honors are determined by the student's overall grade point average and include transfer work submitted to SRJC. A student who has maintained a GPA between 3.20 and 3.39 will be graduated with honors; 3.40 and 3.59, with high honors; and 3.60 or higher, with highest honors.

## Multiple Majors

It is possible for a student to be awarded more than one major upon graduation providing that all requirements are met for each major. For multiple majors, a single diploma with all majors listed will be issued. If one major leads to an Associate in Arts and the other to an Associate in Science, two diplomas will be issued.

## Additional Associate Degrees\*

Students who already possess an Associate in Arts or Associate in Science degree from Santa Rosa Junior College may be awarded an additional degree upon completion of the following:

1. All requirements of a major in a different field of study. Previous coursework may be used.
2. Twelve units in residence after conferral of the previous degree.
3. Any new areas of General Education in effect at the time the student re-enrolls, if there has been a break in enrollment.

\* Please see the 2009-10 Santa Rosa Junior College Catalog for more information on additional associate degrees ([http://www.santarosa.edu/schedules/college\\_catalog/](http://www.santarosa.edu/schedules/college_catalog/)).

Please discuss your educational plan with a counselor. Students are encouraged to apply for the associate degree the semester prior to graduation. Petitions may be obtained in the Office of Admissions, Records, and Enrollment Development.
