SRJC Foundation Endowment for Excellence in Athletics

The SRJC Foundation Bear Cub Athletic Trust works to provide an on-going source of private funding for athletic programs support in men's and women's intercollegiate sports at SRJC.

Athletics plays a key role in the total experience of campus life, serving as a rallying point for students, alumni, faculty, and friends. In order to provide for the future of the college's athletic programs, the *SRJC Foundation Endowment for Excellence in Athletics* was recently established. The initial goal for this endowment is to raise \$50,000.

Once this level is reached, the endowment will provide a perpetual source of funding for educational assistance to student-athletes and programs within the department.

Please contact the SRJC Foundation if you have questions or if you are interested in supporting the *SRJC Foundation Endowment for Excellence in Athletics*.
