

## **Petaluma Campus Endowment Campaign Going Strong**

January 2007, the SRJC Foundation's Friends of Petaluma Campus committee has raised over \$670,000 in support of the campus.

Contributions made to the Petaluma Giving fund, Petaluma Campus Endowment, and the Mahoney Library Endowment are used to support instructional programs and services on the Petaluma Campus. Donors contributing \$1,000 or more will be prominently recognized on a donor wall of honor.

The Friends of Petaluma Campus are actively seeking contributions to support this campaign and naming opportunities are still available. To date, thirteen locations on campus have been named by donors. These include seven naming opportunities in the Mahoney Library, two in the Carole L. Ellis Auditorium, one in the Physical Fitness Center, one in the Richard W. Call Classroom and Administration Building, one in the Dining Hall, and one for the Rotary Plaza.

Kudos to the Friends of Petaluma Campus and deep appreciation to the generous donors (*partially listed below*) who continue to make this campaign a remarkable success.
