Sutter Medical Center of Santa Rosa

Sutter Medical Center of Santa Rosa offers a wide range of volunteer services. The lives of their patients, employees and physicians are immeasurably enhanced by the selfless contribution of their volunteers. Volunteers at Sutter Medical Center may choose to join their Auxiliary, or become student or junior volunteers.

Auxiliary Volunteers

The Sutter Medical Center of Santa Rosa Auxiliary was started in 1967. Since that time it has grown into a compassionate volunteer organization providing services for the patients and staff. Through gift shop and fundraising activities the Auxiliary has raised funds for the purchase of equipment which greatly assists the hospitals to provide valuable patient care services to the community. For more information about the Auxiliary, please call (707) 576-4006.

Student and Junior Volunteers

Sutter Medical Center of Santa Rosa is proud to partner with many local educational institutions to offer job shadow and technical volunteer experiences, (ie: Nursing and Radiology). For more information call the Volunteer Info. Line at (707) 576-4412.

Pet Therapy Volunteers

Creating Wellness is a canine program consisting of volunteers and their dogs that are trained to work as a team, bringing comfort and love to patients, in a hospital setting. For program information, call (707) 576-4006.

Kaiser Permanente

Kaiser Permanente offers a broad range of volunteer opportunities in both north and south Sonoma County. Please contact Corrine Lorenzen at (707) 393-4595 for more information.
