BOARD POLICY REFERENCE: 2005-2006 Classification Study		Board Approved:

JOB DESCRIPTION:

Under general supervision, perform grounds maintenance and gardening work; may supervise the work of student assistants; and perform related work as required.

SCOPE:

The Groundskeeper I performs various groundskeeping duties of moderate complexity; may assist in training of student assistants.

KEY DUTIES AND RESPONSIBILITIES:

Examples of key duties are interpreted as being descriptive and not restrictive in nature.

1. Plants, weeds, rakes and waters college grounds; transplants and mulches as necessary.
2. Prunes annuals, perennials, shrubs and trees using the appropriate techniques according to the plant.
3. Edges, mows, fertilizes lawns, and monitors the watering needs of the grounds; ensures efficient operation of irrigation systems.
4. Sets scheduling of irrigation timeclocks for a water-efficient irrigation schedule.
5. Implements landscape improvement/renovation projects using appropriate plants and landscape materials.
6. Calculates amounts and applies pesticides according to industry safety procedures; understands and follows material safety data sheets and labels and required emergency treatments for specific chemicals.
7. Identifies common landscape weeds and applies control measures.
8. Maintains college pathways and roads, patching pot holes, cleaning drains, and sweeping debris.
9. Uses leaf blowers, turf vacs, other tools or hands to remove trash and debris from grounds.
10. Operates power equipment such as, but not limited to, edger, hedge trimmers, chain saws, and tractor/loaders as necessary.
11. Sets up college stadium and athletic field for sporting events; assists with marking athletic fields.
12. Assists in the custodial maintenance of college stadium including athletic field and bathrooms after events.
13. Performs minor repairs to equipment and irrigation sprinklers; may assist in the installation and maintenance of drip irrigation systems; may repair impact sprinkler heads in lawn.
14. May direct the work of student assistants.

EMPLOYMENT STANDARDS**ABILITY TO:**

Operate hand and power tools used in gardening and groundskeeping work safely; perform skilled grounds maintenance work; perform physical labor; follow and give oral and written instructions; work safely and effectively around the public; maintain cooperative working relationships; demonstrate sensitivity to, and respect for, a diverse population.

KNOWLEDGE OF:

Methods, supplies, equipment and tools used in planting, cultivating, and caring for lawns, shrubs, annuals and perennials, and trees; plant identification and cultivation requirements; plant pest/disease problems; installation and repair of irrigation systems (drip and automatic); and programming of irrigation time clocks.

MINIMUM QUALIFICATIONS:

Any combination of education and experience that would likely provide the required knowledge and abilities is qualifying. A typical way to obtain the knowledge and abilities would be:

Education:

Graduation from high school.

Experience:

One year gardening and groundskeeping duties. Experience maintaining large grounds preferred.

LICENSE OR CERTIFICATE:

This classification requires the use of a personal or District vehicle while conducting District business. Must possess a valid (Class C) California driver's license and an acceptable driving record.

Preferred: Qualified Applicator Certificate issued by California Department of Pesticide Regulation.

SPECIAL REQUIREMENTS:

Must be able to perform physical activities, such as, but not limited to, lifting heavy items (up to 50 lbs. unassisted), bending, standing, climbing or walking. Frequently required to work under inclement weather conditions. Must be able to work in an environment containing frequent exposure to hazardous chemicals. Must be able to operate a variety of gas powered equipment and sharpen hand tools safely.
