

Supplemental Questionnaire

Application for the Position of:
Life Sciences Instructor Pool

Name: _____ **Date:** _____

Instructions: Your completed Questionnaire must be attached to your application for employment and received by the Human Resources Department no later than 4:00 p.m. on the closing date. Your responses to this questionnaire must be confined to 200 words or less per question (typed or keyboarded). You may attach additional pages as necessary. Incomplete or late questionnaires (as with other application materials) will not be considered by the screening committee.

1. Please list relevant courses that you have taken, including the grade you received, and the institution where the course(s) were completed (if grading system is something other than the standard A-F please include an explanation of the grading scheme).
2. What area or subject did you emphasize in obtaining your degree(s)?
3. Please fill out the following chart to indicate what courses you have taught and other relevant information as indicated. You may attach additional pages as needed.

Course Title	Institution	Year(s)	# of semesters or quarters	Level	Check if TA

4. Many students come to a community college underprepared. How would you go about balancing high academic standards and rigor with the diversity of students you will encounter?
