Fall 2012 Transfer Admission Guarantee

Seven UC campuses offer guaranteed admission to California community college students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, students receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework.

Counselors are not available to meet individually with students for help with the TAG application. Students must attend a UC TAG application workshop for more information and to obtain counselor assistance with filling out the online application.

All workshops are held in the Transfer Center (3rd floor, Bertolini Student Center). These are drop-in sessions; you do not need an appointment.
