Please note: The District requires a 5-year warranty with purchase of projectors. If a manufacture cannot offer 5 year warranty, indicate what the warranty period is for the projector and include the additional cost for a third party warranty for the remaining warranty period in the unit price. Bidder must provide a copy of the actual warranty for review plus any third party warranties if applicable. Quality of the warranty coverage will be taken into consideration. We are anticipating a 6,000 hour product cycle so the lamp quantity varies by projector please include correct number of lamps/projector. Items Below are an OR situation. We will be selecting one group of 20 projectors listed below.
