The Board of Trustees is the unit of authority, and no Board member has individual authority in regards to the District except as part of that unit. Individually the Board member may not commit the District to any policy, act or expenditure. The Board member does not represent any factional segment of the community, but is rather a part of the body, which represents and acts for the community as a whole.

Board members are expected to be vigilant in the area of conflicts of interest (real and perceived).

Individuals shall not be allowed to continue service as a Board member while serving on another publicly elected board.

No individual member of the Board, by virtue of holding office, shall exercise any administrative responsibility with respect to the College, nor as an individual command the services of any college employee.

No members of the Board shall be asked to perform any routine or clerical duties that may be assigned to an employee, nor shall any Board member become an employee of the District while serving on the Board except as specifically provided for in the Education Code.
