The Board believes that in order for it to know how well the district is progressing toward its goals and objectives it needs regular and comprehensive information. The Superintendent/President is directed to develop procedures for gathering and presenting data needed by the Board. The Board's appraisal and evaluation activities shall include but are not limited to the following:

Evaluation

1. Periodic review of the Board's operation and performance.
2. Review of continuing financial operations through receipt and study of periodic financial and audit reports.
3. Study of regular reports and presentations on District operations with particular emphasis on aspects of the instructional program.
4. Assessment of the effectiveness of the District's instructional programs in relation to the District's instructional goals.
5. Appraisal of performance of personnel in relation to established performance criteria.
6. Annual appraisal of the performance of the Superintendent/President.
7. Continuing review of District policies, regulations and bylaws to ensure accurate reflection of the concerns of the community for the educational system, and to encourage soundly based improvement in the District programs and services.
