ENDORSEMENT/SPONSORSHIP/SUPPORT of activities in the name of the District or its campuses.

Endorsement

The District will lend endorsement to those fundraising and benefit activities that are related to its ongoing educational philosophy, mission, goals and programs.

The District does not endorse individuals or groups in political, commercial, religious, or private enterprises. Endorsement by the District requires approval by the Superintendent/President or his/her assigned representative.

Sponsorship and Support

In keeping with its philosophy, mission, and goals, the District may sponsor those activities that enhance "...intellectual and social experiences for the development of knowledge, values, attitudes and skills needed in realizing one's full potential as an individual in a free society," as follows:

Those activities, concerts, lectures, conferences and the like that enhance the academic credit program or the professional growth of the staff are eligible for sponsorship and support from the Academic Affairs Office and/or waiver of Facilities Use Fee. Sponsorship or support by the District requires the approval of the Vice President of Academic Affairs or his/her designee.

Those activities, concerts, lectures, conferences and the like that are not associated with academic credit programs but are designed to serve the general community shall be sponsored and scheduled through the Office of Community Education. All Community Education programs should be wholly self-supporting.
