REVISED: OCTOBER 14, 2008

ED CODE: 79020, 79021, 79030

TITLE 5: 55700-02

---

While courses are offered at many times and in a variety of configurations, the District will maintain a "Class Schedule Template" as a guideline for faculty and staff as they develop the schedule of classes for each semester and the summer term. The template is designed to accommodate student need as well as make efficient and effective use of District facilities.
