CLASS SCHEDULE

ADOPT: APRIL 8, 1985

REVISED: MAY 8, 2001

REVISED: JULY 16, 2008

TITLE 5: 55700-02

---

A schedule of classes shall be prepared well in advance of each semester and summer session. The schedule will be available at all campuses, centers and main sites and the greater community made aware of how it may be accessed via the internet or locations where a hard copy may be obtained so that students and prospective students have sufficient information to attend District classes.

The schedule of classes will be created based upon a broad-based input from instructional departments, administrative components and enrollment management practices of the District. The District will schedule classes at times and locations that reflect the needs of students, while at the same time utilizing District-owned facilities to the highest degree possible.
