PARAPROFESSIONAL ASSISTANCE

ADOPT: APRIL 8, 1985

REVISED: MAY 8, 2001

REVIEWED: JANUARY 8, 2008

ED CODE: 88240-9

---

In recognition of the need to support the instructional program, the Board of Trustees authorizes the use of readers, instructional aides and other paraprofessionals, provided that such individuals are not utilized for the purpose of releasing faculty/instructional managers from their responsibility to supervise the instructional programs. Paraprofessionals may serve in addition to, not in place of, faculty/instructional managers and will perform under the supervision of, but not necessarily in the physical presence of personnel. Selection of such personnel occurs at the Department level, within the constraints of the departmental budgets, and subject to the final approval of the supervising administrator.
