DISASTER PREPAREDNESS

ADOPT: APRIL 8, 1985

REVISED: FEBRUARY 14, 1995

REVIEWED: MAY 8, 2001

REVIEWED: MARCH 11, 2008

It shall be the policy of the Sonoma County Junior College District to maintain a plan for disaster preparedness in compliance with the California Administrative Code, Title V Education Section 560 and cooperations with Sonoma County Office of Disaster Planning. The preparedness plan includes:

1. A written outline of College personnel response plan at the time of disaster;
2. Organization and maintenance of disaster supplies to be stored in case of need;
3. In-service training to update and educate staff as to disaster responsibilities; and,
4. Disaster Preparedness Committee meeting at least yearly to include representative from campus and community groups
