REVIEWED: MARCH 11, 2008

The Board hereby authorizes the establishment and maintenance of a general fund. All monies not required to be placed in a special fund or account shall be deposited in the District's general fund, which is maintained by the County Treasurer. The general fund may be used for general District purposes, which includes costs of operation and capital outlay expenditures.

Categorically funded programs will operate within their funded levels of services. It is the intent of the District that categorically funded programs are self-supporting.
