To insure that College facilities are planned in an effective and economical manner, the Superintendent/President shall direct the Vice-President for Administrative Services to provide the Board an annual Five Year Capital Outlay Program report prior to submission to the Chancellor's Office. The purpose of the capital outlay program is to insure that adequate facilities and equipment are available for instructional, student services and administrative program support. The capital outlay program will consider new facility needs, acquisitions, scheduled maintenance, space utilization, energy conservation, health and safety, security and major equipment installation.
