

6.3.1  
GENERAL MANAGEMENT OF FACILITIES PLANNING PROJECTS

ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVISED: MARCH 11, 2008

---

It is the designated responsibility of the Vice-President for Administrative Services to administer the District's capital outlay program. The Vice-President will work closely with the Board Facilities Planning Committee, the Superintendent/President, District Facilities Planning Committee, program faculty, staff and students in order to provide an appropriate plan for the development of District facilities. The Vice-President for Administrative Services will be the District's representative on facility planning matters to various public and private agencies involved in the development of facilities.
