

6.4.2a

FACILITIES: CONTRACTS AND SERVICES

ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVIEWED: MARCH 11, 2008

---

The District shall enter into a contractual agreement with the architectural/engineering consultant that stipulates the type and amount of services to be rendered. Completion dates of the design phases, along with progress payment schedules, shall also be stipulated. The Vice President of Administrative Services shall be the District's designated representative to administer the contractual agreement.
