ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVIEWED: MARCH 11, 2008

ED CODE: 81138

---

Facility designs will be appropriate to the campus and the surrounding community and reflect the input of the Board, Superintendent/President, Board Facilities Planning Committee and the District Facilities Planning Committee and directly concerned faculty and staff.

The Board of Trustees will appoint certified architects and engineers for professional services as required by the District's capital outlay program. Architects and engineers will assist the District in developing facilities that appropriately service the educational program and student services.
