

## FACILITY PROJECT FINANCIAL MANAGEMENT

ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVIEWED: DECEMBER 9, 2008

---

It shall be the responsibility of the Superintendent/President or designee (Vice-President for Administrative Services) to provide construction project fiscal management. The Vice-President for Administrative Services shall work closely with consultants, contractors, state and local officials and Business Services staff to ensure proper fiscal management of each project.
