

6.7.2

FACILITIES: PROJECT SUPERVISION AND INSPECTION

ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVISED: MARCH 11, 2008

---

At the direction of the President, the Vice-President for Administrative Services shall be responsible for supervising the construction projects. As part of contracted services, the District's consultant (architect, engineer or construction manager) shall represent the District and report to the Vice-President for Administrative Services.

The District shall provide State of California approved inspection services. The inspector, paid by project funds, shall make certain that workmanship is complete and suitable to District and State standards of health and safety. The inspector shall enforce the requirements of the approved project specifications and shall certify the contractor's progress payment requests.
