

6.7.3

FACILITIES: ACCEPTANCE

ADOPT: APRIL 8, 1985

REVISED: DECEMBER 12, 2000

REVISED: MARCH 11, 2008

---

Upon completion of all contracted work, the contractor shall file a request for final inspection. The final inspection shall be conducted by the consultant (architect, engineer or construction manager), the State-approved inspector, the Vice-President for Administrative Services and other representatives of the District as required.

Upon completion of the final inspection, the Vice-President shall recommend acceptance or non-acceptance of the project and filing of the Notice of Completion with the County of Sonoma. The Board of Trustees shall review and may approve recommendations to accept completed projects. Any items to be completed must meet with District approval prior to acceptance and final payment of retained funds.
