

COMPUTER AND COMMUNICATIONS TECHNOLOGY USE

ADOPT: NOVEMBER 8, 1994

REVIEWED: DECEMBER 12, 2000

REVIEWED: MARCH 11, 2008

---

Santa Rosa Junior College encourages the use of computer and communications technology, including computer networking, in order to enhance both the District's operation and the learning environment for students and staff. In order to prevent the misuse of such technology, the College shall develop and regularly update procedures related to campus administrative computing, campus instructional computing, dial-up access to both systems, College-sponsored computer bulletin boards, and other such electronic communication systems.
