**INTRODUCTION**

1. The provisions of this SRJC Traffic and Parking Code, hereinafter referred to as the Code, SRJC Traffic Code, or SRJC Traffic and Parking Regulations, are adopted for the purpose of promoting safe and orderly movement of traffic within the boundaries of the Sonoma County Junior College District campuses, its satellite centers, or grounds and properties owned, operated, or controlled by the Sonoma County Junior College District, (all hereinafter referred to as the campus, college and/or Santa Rosa Junior College), and for the safe and orderly parking of vehicles and bicycles thereon.
2. All provisions of the California Vehicle Code are expressly applicable both on and off paved roadways on the College except for those provisions which by their very nature have no application.
3. Parking of motor vehicles and bicycles on the College is limited to specially designated areas set forth in the articles in this code. Fee permits are required. Vehicles or bicycles parked in violation of the provisions of this code are subject to fines, towing, or impoundment.
4. All persons who enter on the college are charged with a knowledge of the provisions of the SRJC Traffic Code and are subject to the penalties for violations of such provisions. California Education Code 76360 (a) authorizes the Board of Trustees to establish parking fees that apply to all instructional classes and activities and to business callers or visitors.
5. All current provisions of the SRJC Traffic Code shall be available for public inspection. For complete list of parking and traffic regulations go to:
