TITLE 5: 55044

---

Alleviation of previously recorded, substandard (D and F) academic performance, completed at Santa Rosa Junior College, which is not reflective of a student's demonstrated ability, will be considered upon submission of a petition by the student to the Office of Admissions, Records & Enrollment Development. Upon approval by the department, the academic record of the student will be so annotated and appropriate adjustments made to the grade point average. All previously recorded work however, will remain legible, ensuring a true and complete academic history. A total of 24 units are the maximum amount of course work to be alleviated.

This policy is applicable in any of the following cases:

1. Completion of 24 units at C (2.0 grade point average) level or above in all course work attempted subsequent to the semester(s) of substandard work.
2. The passage of 4 four years since the substandard work was recorded.
3. Demonstration that previously recorded work is not reflective of present ability. Such evidence might include, but is not limited to documented proof of experience, awards, degrees, and honors.
