It shall be the policy of the Sonoma County Junior College District to require all credit enrolled students to pay a health services fee in order to maintain and provide a student health services program. The schedule for the fee shall be reviewed by the President's Advisory committee on Student Health Services in accordance with the state Chancellor's Office COLA adjustments. All fee changes will be authorized by consent of the Board of Trustees. Eligible student exemptions will be approved by the Board as identified in 5.4P procedures.
