REVIEWED: FEBRUARY 12, 2008

ED CODE: Section 76355, 54702

California Code of Regulations

Section 54706, Subchapter 7, Chp.5, Division 6

---

It shall be the policy of the Sonoma County Junior College District to allow the Student Health Services Department to charge students and staff for the costs of optional services and materials provided through the department. Materials and services that are currently being funded by the Student Health Fee will not be considered for these optional service charges.
