STUDENT HEALTH SERVICES OPTIONAL SERVICE CHARGES

ADOPT: JUNE 8, 1999

REVISED: NOVEMBER 14, 2000

REVIEWED: FEBRUARY 12, 2008

---

The established Student Health Services Advisory Committee will review proposed changes for optional materials and services offered through the Student Health Services Department and make recommendations for administrative implementation, no less than annually.

Charges for materials and services will not exceed the actual costs to the Student Health Services Department for providing the materials and services.
