---

It shall be the policy of Sonoma County Junior College District to permit students to produce services and materials for community organizations or groups only to the extent that such production furthers such students' educational development. Care must be exercised by the administration in interpreting this policy to avoid student exploitation and unfair competition with local commercial enterprise.

The Superintendent/President or his/her designee is empowered to sell to any student, personal property of the District, which has been fabricated, by the student at the cost to the District of the materials from which it was made. Materials necessary for the making of articles may be sold to the students at not less than their cost to the District, and the article made from the material is the property of the student.
