Leaflets and similar material may be freely distributed at outdoor areas which are centers of campus life by campus organizations provided the material has recorded on it the campus organization distributing the material. The College reserves the right to specify the time, place, and manner appropriate for the distribution of literature should conflicts arise.

Individuals who desire to distribute materials may request an organization's sponsorship through the Associated Students and/or the Inter-Club Council. Appropriate procedures and forms may be obtained through the Student Affairs Office. The sponsoring organization, together with its advisor, may facilitate the distribution of the materials, without necessarily subscribing to the point of view presented, provided the material has recorded on it the name of the campus organization distributing the material.

Off-campus groups or individuals presenting approved assembly-type programs may distribute but not sell literature related to the topic under discussion or the purposes of the organization represented. The literature may be distributed at the location from which the program will be presented and/or continued during a question/answer period.

All literature distributed through the campus mail system must include the name of the office, group, or individual initiating the material. The campus mail system will not be used for material of a commercial nature without the endorsement of the district (See Policy 2.8).
