Tips for How to Use the Final Exam Schedule

The Final Exam Schedule is applicable to classes at all Santa Rosa Junior College locations.

- All classes beginning after the time listed will follow the schedule for the preceding time block. For example, MWF or MW 11-12 classes would follow the MW 10:30 schedule.
- Classes not covered under #1 above or meeting at hours not indicated on the schedule will meet during a time arranged with the instructor in the class.
- Students with final exam scheduling conflicts should see the instructor of each class to make necessary arrangements.
- Classes that meet on days different from this schedule will meet for a final based on the first day of the class and the corresponding time. For example, TWThF corresponds to the TTh time; WThF corresponds to the MWF schedule; Th corresponds to TTh.
- If you have questions or concerns regarding final exams, please contact the department chairperson/director.

Classes that meet for less than the full semester (18 weeks) will have their final exam, project or review activity at the last class meeting. A final examination, project or review activity will be given at the last class meeting of every course. (Board Policy 3.15)
