

Second Annual PFF Retreat

We face a unique opportunity at this time to forge the identity of the Petaluma Campus as the Phase II expansion takes shape. Last year's retreat was an energizing experience for us. This year promises even more. You can become better acquainted with your colleagues, build community and take part in this crucial evolution of the Petaluma Campus.

Please join us for this event. Marta Michaels, Adjunct faculty in Communications, will facilitate our discussions.

Date: Friday September 9, 2005

Time: 12:00—3:30 p.m.

The Petaluma Faculty Forum Steering Committee

Invites You to participate in
the Second Annual PFF Retreat

The Petaluma Faculty Forum is a vehicle for all faculty to express themselves and to be represented in the governance structure of the Petaluma campus. Building community is the key to strengthening voice and shared vision as we work to establish the Petaluma campus.
