

DRAFT SANTA ROSA JUNIOR COLLEGE CREDIT FOR ADVANCED PLACEMENT (AP) EXAMS 2009-10 DRAFT

Students may earn credit for College Entrance Examination Board (CEEB) Advanced Placement (AP) Exams with scores of 3, 4, or 5. AP credit can be used to meet General Education and/or Associate Degree major and certificate requirements. Course credit and units granted at SRJC may differ from course credit and units granted by a transfer institution. Each university campus determines how it will apply examinations toward credit in a major. Please consult with a counselor for assistance in clarifying university policy.

SRJC Associate Degree General Education: AP exam credit will be applied to the GE areas as shown in the chart below.

CSU GE-Breadth: All CSU campuses will accept the minimum units shown and apply them toward fulfillment of the designated GE-Breadth area, if the exam is included as part of a full or subject-area certification.

IGETC: AP exams must be certified in the area indicated regardless of where the certifying community college's discipline is located.

Students must have the College Board send official AP exam results to the Office of Admissions, Records & Enrollment Development for evaluation (hand carried copies will not be accepted). A student who receives AP credit and then takes the equivalent SRJC course will have the unit credit for such duplication deducted. **Credit is shown below in semester units unless otherwise indicated. Minimum score of 3 required unless higher score is indicated.**
