## Variations on a Theme

### Create a series of branded documents

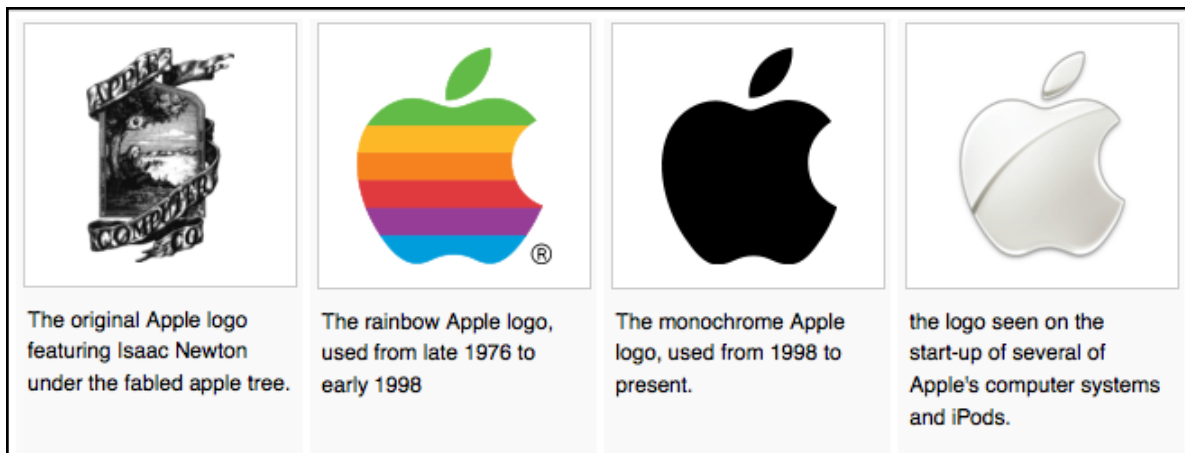

Complete Exercise 8 Variations on a Theme in *Stepping Out With InDesign*. If you have the first printing of the book, there is a typo in the first paragraph of Part 2. It should read: “You will not use (open and customize) any of the templates viewed in Part 1.”

In Part 2, you will create three branded documents which have the same “corporate identity. Submit these three documents (Lab8a, Lab8b and Lab8c) to CATE.

#### Checklist for week 8:

- Set of branded documents

Below is the Adobe logo that I use for InDesign as an ACE (Adobe Certified Expert). Look familiar? I put it on my business cards, website and course materials. The identity is the red A. The red color is Pantone 485C. The font is Myriad Pro. Notice Adobe's character formatting to text width and tracking.
